

The Great Glenfield

Reading Challenge

As you read at home you can earn certificates, and add your name into the half termly reading draw to win a book voucher so you can buy your next great read!

How it works

1. Each time you read, add the name of the book (*and if it's a chapter book, the number of chapters read*) into your yellow reading log.
2. Get an adult or an older brother or sister to put their signature in the book to show that you've read.
3. Every time you read 10 books or 10 chapters make sure you hand your book log into your class teacher.
4. Your class teacher will add a sticker to show they have seen your 10 reads and they will organise collecting your certificate in assembly.
5. Collect your certificate in assembly!
6. In a half term, when you have read 30 times your name will be placed into the reading draw to win a book voucher so you can buy something new to read.

How many books will you read this half term?
