

For literacy today, we are focusing specifically on this part of the story. We will be writing super sentences about this page using some great word choices so before we do that tomorrow (Friday) we are going to create some word banks to give us super ideas.

Word bank 1 is going to be all about how the characters are feeling at this stage of the story. We would also like to introduce the prefix 'un'. This is the first time we've looked at 'un' so your child may need it explained to them and how 'un' changes the meaning of the word such as happy becomes unhappy and means something different. Your child may need support thinking of these words so it's a great time to introduce them to new language (you can borrow some from my example!)

Word bank 2 is all about how the forest is looking so think of some excellent describing words to describe how the forest has changed. Again, if you are struggling to think of some, borrow them from this plan as it's important to expose your child to new word choices.
