Dear Parents and Carers

16<sup>th</sup> June 2020

Yellow, the company we use for our school photographs, has been in contact with the following idea.

The taking of class photos this year is not going to be an option with children and staff working with distancing guidelines, however we feel children and parents will really want a record of the unique period in time and allows parents to continue having a class group record for each year.

See below sample personalised class group memory produced for each child, with themselves as the large "star" image, surrounded by class friends, with the memorable "rainbow" in background. Available for ALL your classes, **using the 2019 Autumn term individual photos (if your child was not in school on photo day Yellow will not have a photo to use).**

With the uncertainty of which children will or will not be in school at any one time, we are offering a new service Delivery **Direct to the home at no additional charge** if the order is made by the Order Closing Date. The price £12 for 10"x8" photograph presented in a quality folding card mount and includes delivery direct to home.

Glenfield will send you a text message asking a) would you be interested in the class photo option and b) to give consent for us to send your email address to Yellow so they can send you the photo proof. Please respond to that text message by the deadline given.

Mrs Dorricott and Miss Carrie  
Co-Headteachers
