

Rat and Cat in Let's Jump

What is rat doing at the beginning of the story?

Do you think rat knows cat is sneaking up on him?
Why/why not?

Where does rat say they can jump?

What does cat think about jumping on the bed?

Who do you think had the best flip? Why?

What happens to rat when cat jumps on the bed?

What does rat think of cats flip?

Do you think cat will give up trying to catch rat?

How do you know?
