

Extra links to support our science focus. The National aquarium is providing live sessions from their aquariums over the next 7 weeks:

<https://www.youtube.com/user/NMAplymouth> The links to these sessions are on their Facebook page. Obviously, this is a platform which is not for children, so if you would like to use these sessions, then your child will need to be supervised at all times to ensure they are safe on-line.

Paignton zoo has a couple of sessions (starting 15/1/21) about Habitats and the animals in their zoo. This is the link to their webpage to access the sessions:

<https://www.paigntonzoo.org.uk/education-clubs/school-from-the-zoo>

Again, please supervise your child accessing any online sessions or resources.
