

Science Spring1 week5

You are going to complete your worm leaflet this week.

Tuesday: Use your notes from last week to complete the information about 'Anatomy' and 'Diet' on your leaflet.

Wednesday: Complete your leaflet - add the information about 'Food chain' and 'Why they are a Gardener's best friend'.

Remember to reread and edit your finished leaflet - check sentence sense, punctuation, spelling and accurate use of science facts.

Send a photo of your completed leaflet to your class email:
