Instructions for the mini book

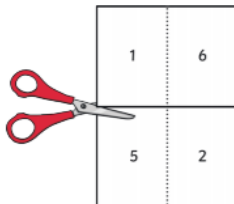

Print and Fold a Phonics Mini Book

Instructions

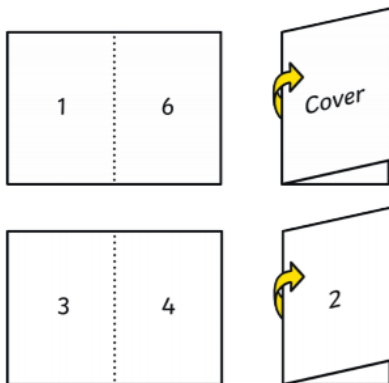

1. Print the mini book double-sided. Ensure your printer is set to print 'flip on long edge'.

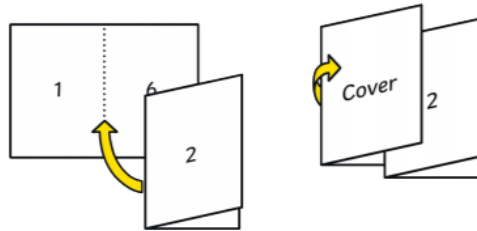

2. Cut along the solid line.

3. Fold each sheet along the dotted line.

4. Insert the inner pages. You should now have the front cover as the first page. Check all the pages are in the correct numerical order.

5. Staple the spine if desired.
