

Task outline day by day: Spring 2, week 1

Remember to check on 'Marvellous Me' for your invites to your class Zoom sessions.

Monday:

Literacy	Think about the creatures which live in the seas and oceans, then take a peek at the opening to the animation 'Something Fishy', before making a prediction.
Maths	Jog your memory and recap your multiplication and addition skills from last half term.
Reading	Spend 20 minutes reading your matched book, a book you have at home or using your Read Theory log in.
Science	Find out about babies and adults in both animals and humans.
Daily extras	Math's problem of the Day Music sing-a-long Keeping active Spelling - check your www.spellingframe.co.uk account SPAG challenge Joke of the day
Class story	Check the YouTube playlist for today's chapter from 'Oliver and the Seawigs': https://www.youtube.com/playlist?list=PLsU-riFXqR5TFvXaZGlrPVFTmna1XXqaZ 

Tuesday:

Literacy	Watch a little more of the animation, then create a thought bubble for the main character, and create another prediction.
Maths	Find out and use the inverse link between multiplication and division.
Reading	Spend 20 minutes reading your matched book, a book you have at home or using your Read Theory log in.
Science	Find out what living things need to 'survive'
Daily extras	Math's problem of the Day Music sing-a-long Keeping active Spelling - check your www.spellingframe.co.uk account SPAG challenge Joke of the day

Wednesday:

Literacy	Order the images from the animation and create a caption to accompany each of them.
Maths	Find out and use the inverse link between multiplication and division.
Reading	Compete this week's 'Inference' job. Spend 20 minutes reading your matched book, a book you have at home or using your Read Theory log in.
Daily extras	Math's problem of the Day Music sing-a-long Keeping active Spelling - check your www.spellingframe.co.uk account SPAG challenge Joke of the day
Class story	Check the YouTube playlist for today's chapter from 'Oliver and the Seawigs': https://www.youtube.com/playlist?list=PLsU-riFXqR5TFvXaZGlrPVFTmna1XXqaZ 

Thursday:

Literacy	Practise describing the underwater setting of the animation, using adjectives, verbs and adverbs.
Maths	Apply your skills to complete 3 maths investigations.
Reading	Spend 20 minutes reading your matched book, a book you have at home or using your Read Theory log in.
Science	Investigate the effect of exercise on our pulse and heartbeat
Daily extras	Math's problem of the Day Music sing-a-long Keeping active Spelling - check you www.spellingframe.co.uk account SPAG challenge Joke of the day

Friday:

Literacy	Design your own 'laundry' underwater creature and tell me about it using adjectives, verbs and adverbs.
Maths	Practise anything you found tricky this week, then play some multiplication and division games
Reading	Spend 20 minutes reading your matched book, a book you have at home or using your Read Theory log in.
Focus Author	Find out about our focus author for the Half Term: Chris Wormell and share one of his stories - 'In the Woods'
PE	Roll the dice and complete the action...here's an online dice: https://www.random.org/dice/  <p>Complete an underwater workout with Andy: https://www.youtube.com/watch?v=TCrFUD98U_Q</p>
