We're excited to be running our After School Clubs at Glenfield for the final part of the summer term!

We'll be continuing with Year 1 & 2 Multi Sports Clubs. Our Clubs will consist of a wide variety of Sports & Activities to keep Children active and entertained after school. Children will get to participate in a different activity each week.

Due to Covid restrictions we are continuing to offer Clubs in Year Group Bubbles and we feel offering Multi Sports is the fairest way to proceed for the time being which gives Children a wide variety of activities. However after 21<sup>st</sup> June we could open up our clubs to children of other year groups if restrictions are lifted and government guidance suggests schools no longer need to keep children in bubbles. If this is the case we will send out further information at the time. For now bookings will be restricted to year group only clubs.

Places are limited and we recommend booking sooner rather than later to secure a place.

All Clubs will follow the latest Official Government Guidance for Extra Curricular Activities. You can view our latest Covid-19 policies at [www.ace-education.co.uk](http://www.ace-education.co.uk)
