Race for Life Schools

You should have received a message during this week to tell you our exciting news that we will be taking part in 'Race for Life Schools' on **Tuesday 20th July 2021**. As a school we will be taking on the challenge and using a mixture of running, walking, skipping and jumping to raise money for Cancer Research UK.

Donations are completely voluntary and all children are still able to take part without donations. The link to our fundraising page will also be put onto the school website. Please see our direct link below:

<https://fundraise.cancerresearchuk.org/page/glenfield-infant-school>

Children will need to come into school in PE kit with appropriate running shoes, a water bottle and sun cream applied to skin (please bring in NAMED sun cream too).

SCAM ALERT

June 2021

Covid digital passport scam

A new email scam about Covid is circulating and we want to advise you what it looks like and what steps you can take.

Your vaccination status is obtained FREE through the NHS App, website or by calling the NHS on 119.

Send suspicious emails to the Suspicious Email Reporting Service (SERS) at report@phishing.gov.uk.

You may receive an email which looks similar to the one shown. Clicking on the link takes you to a convincing but fake NHS website that asks for personal and payment details. (for an admin fee).

The website has since been taken down, however, as with many scams of this nature, there will be others.

More information can be found on the gov.uk website; <https://www.gov.uk/guidance/demonstrating-your-covid-19-vaccination-status-when-travelling-abroad>
