

Consolidating place value homework- week 6

Homework does not need to be printed. Instead please complete on a blank piece of paper. If you require paper and a pencil then please make your teacher aware. Thank you.

Draw your jottings for the numbers:

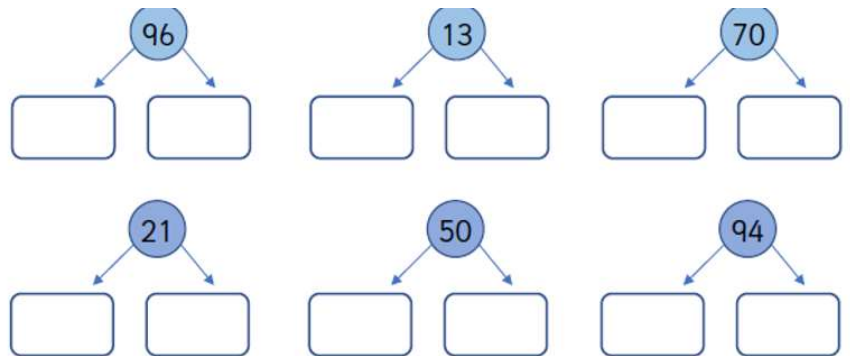

26 9 78
10 41 100

Write all the 2-digit numbers greater than 40 using these digits.

How do you know you have them all? Prove it.

Partition these numbers.
You can either partition into tens and ones or a different way.

Complete the number lines:

What could the start and end numbers be?
