

Can you match the numbers going into the function machine with the answers coming out?

Colour code them so they match...

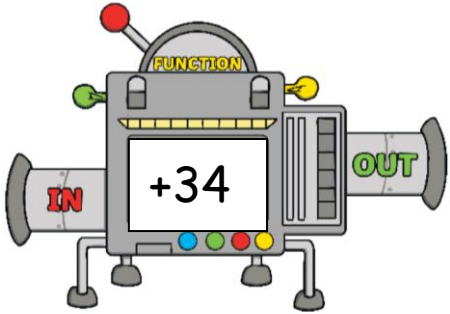

11		79
50		66
23		58
63		27
42		38
22		39

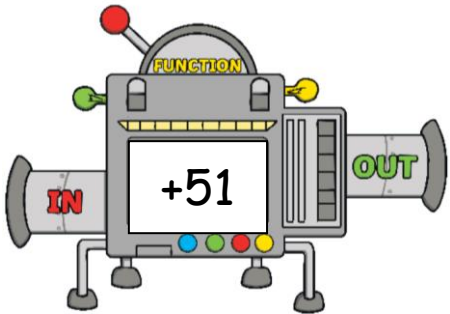

...

34		71
50		36
21		64
68		89
43		55
15		42

$$|| + 27 = 27$$

$$| \cdot + || \cdot \cdot$$

15		39
42		55
21		49
65		99
52		76
5		86

40		92
18		78
36		69
41		66
27		91
15		87
