

Going to Glenfield

I will be in **Moles** class

Hello, I am the class teacher and my name is Miss Cook. I have been teaching for 9 years and I love teaching in Moles class. I love to go outside for runs or walks in the forest and I like eating cake and drinking cups of tea! I love being creative and reading stories.

Hello, my name is Miss Guy and I am the TA. I have worked at Glenfield for 12 years. I have 3 children and we love sports-especially gymnastics and football. I love to travel and will be going to Greece this summer. My favourite ever holiday was to America.

If my grownups need to contact my teacher
the email is

moles.class@glenfieldschool.co.uk

I will come into class
via my classroom
door every
morning.

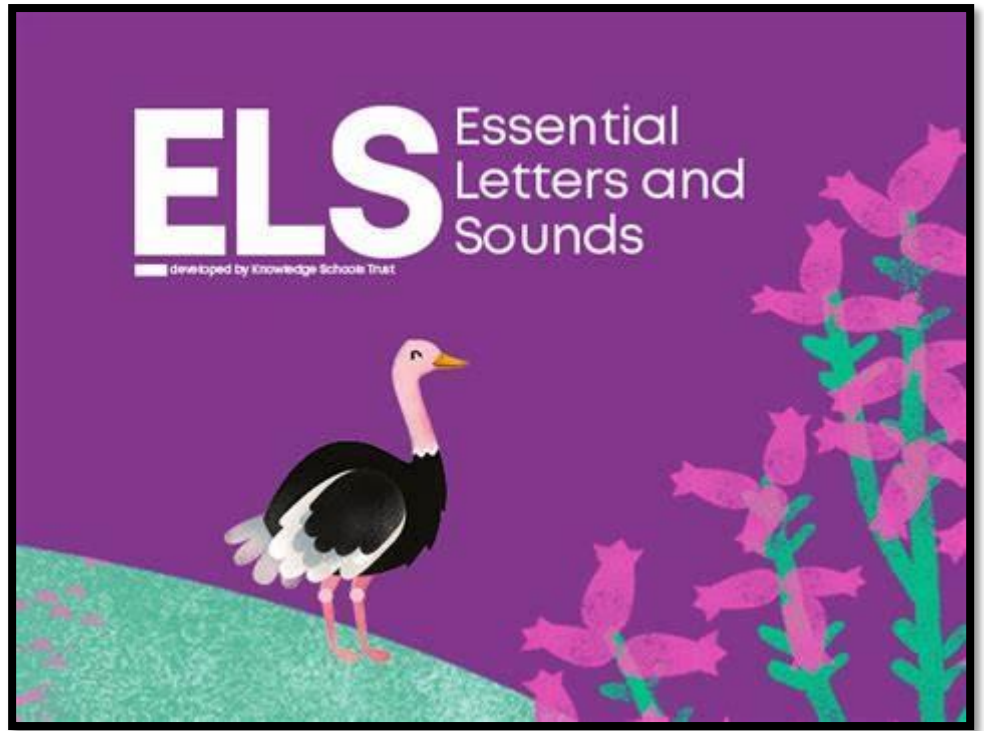

I will put my bookbag in the box and hang
my coat and anything else on my peg.

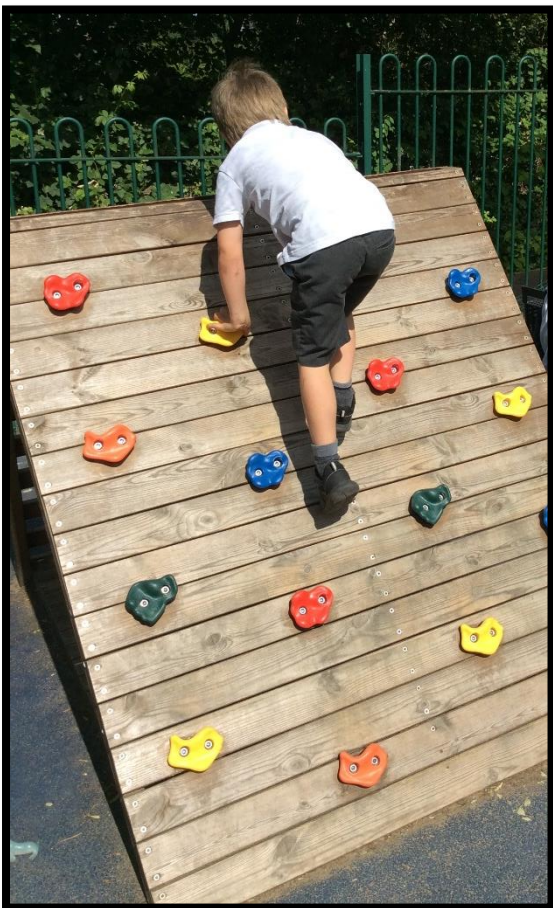

Every morning I will do Phonics, which is all about learning to read.

After this I will normally have a snack of a piece of fruit and milk (free until 5) or a drink of water from my bottle.

Sometimes in class we will have time together on the carpet where we might read a book, work with numbers, learn about the world or talk about ourselves.

There will be lots of time in the day for me to play. This is called Adventure Time as we love going on adventures in our play at Glenfield!

At lunch I can have a hot dinner for free. My grownups need to order it via the School Grid app.

If I bring a packed lunch to school instead, I need to put it on the trolley when I come in.

After I have eaten I will go and play on the main playground. There will always be people

around to help me.

If I need the toilet I can go at any time during the day. I just need to let an adult know where I am going first.

It is useful to have a pair of named wellies and waterproof trousers that I can keep in school as we

will go into the woods every week. They can also be useful at other times, like when I am playing with water.

Hello, my name is Mrs Clifford, and I will be the Headteacher at Glenfield Infant School. I love seeing children enjoy their learning and learning outside as much as possible- I can't wait to see the lovely learning you will do at Glenfield Infants. When I'm not at school, I love spending time with my two daughters and little dog called Roxy. I also like being active and especially enjoy going for runs outside!

We are all looking forward to seeing you in our school in September!
