

Music Development Plan

Glenfield Infant School 2024-2025 Music Lead: Miss B Cooke Southampton Music Hub

How does your provision ensure every aspiring musician in your school can access the high-quality opportunities they need?

<p>Vision and Intent</p>	<p>At Glenfield Infant School, it is our intent that we make music an interactive, creative, enjoyable and inclusive learning experience for all our pupils. We encourage children to participate in a variety of musical experiences through which we aim to build up their confidence and self-expression, inspire creativity and help them to develop their musical potential. Our teaching focuses on developing the children’s ability to understand pulse and rhythm and follow a beat. Through singing songs, children learn about the structure and organisation of music as well as having fun. We teach them to listen and to appreciate music from different cultures and genres of music. They develop descriptive language skills in music lessons when learning about how music can represent different feelings, emotions and narratives. Musical vocabulary is taught such as volume, pitch, beat and rhythm, pulse, tempo and note values and we encourage children to discuss and evaluate music using these terms.</p>

	Southampton City Mission; EYFS Nativity and KS1 Christmas singing in the playground; KS1 Spring singing in the playground and Year R Easter bonnet parade; Year 2 Leavers' Assembly.	collaboratively sing with pupils from other schools within the MAT /Southampton Music Hub area
Listening Curriculum	Using the Model Music Curriculum listening repertoire, children are exposed to a range of musical genres from the Baroque period to the modern day. These are played at the start and end of singing assemblies and also used in KS1 Music lessons.	Continue to develop the implementation of listening for all assemblies across the week including whole school/class assemblies as well as singing
Performance opportunities	Seasonal performances - EYFS Nativity and KS1 Singing in the playground for Christmas; Year R Easter Bonnet parade and KS1 Spring sing for Easter; Year 2 Leavers Assembly	Dec 2024 - bring the singing in the playground back inside to be year group song/poetry performances.
Music resources	A wide variety of tuned and untuned percussion instruments are available to use in class music sessions. These are clearly organised to enable children to access them independently and make choices about how to use them. A display in the hall supports learning by providing a glossary of the musical elements which can be referred to in lessons.	Develop a display with a world map indicating where different composers come from. Continue to replace poor quality/broken instruments on a rolling basis.
Communicating with parents	Music at Glenfield on school website sets out intent; implementation and impact and curriculum coverage. Parents invited to attend musical performances.	Record sound files of chn singing/playing instruments and upload these to school FB page.

	Transition	Pre school - in summer 2, music specialist hosts transition sessions for new entrants to attend ahead of September.
